

## Horses for Sale

**Docs Little Bill** – 1989 Gelding. Chestnut. 15H. TEAM PENNER. Over \$1500. earnings in CMTA last year. Very cowy fellow. Rarely misses his cut. Get him now so you can be ready for this year's penning! Good on trails, in an arena or where ever. Would rate a 2/3 on a scale of 1-10 with 10 being hot. That's not to say that he can't move however...if you ask, he WILL deliver! Asking \$4500.00

**Hashknife Hancock** – 1994 Gray (almost white) Stallion. 14.2 H. Extremely mellow. Easy to ride, great around other horses, terrific ranch horse, good on trails, roads, etc. My 3 year old grandson rode him over Christmas! Also will deliver if you ask. He does have several foals on the ground (we own a 4 yr. old) All have color, all have his temperament. We breed in hand and he is very easy to handle and a complete gentleman! Asking \$4500.00

**J.T.'s Pumpkin** – 1987 Bay Thoroughbred Bay Mare. 16 H. This is a nice mare. She has done and will do it all. She has been used as a lesson horse (Advanced Beginner's on up), she will ride Western or English. She has jumped 2' jumps, seems to have had some dressage training. Loves to have a job. She is the perfect horse for an individual who has had some training and is looking for their first horse. Asking \$1000.00

**J.T.'s Cody Hancock** – This coming 4yr. old gray is the gelded son of Hashknife and JT. He is taller than his father standing at about 15 H. This guy is a REAL LOOKER! He has had 30 days professional training, is sane, has a personality you have to love. We haven't tried him on cows, but he herds them all over the field! Would also make a great hunter/jumper prospect. Asking \$2000.
